Dear Tyler:

On behalf of the Executive Standards Council (ExSC), I am pleased to inform you that the reaccreditation of the **Recreational Vehicle Industry Association** under its recently revised operating procedures for documenting consensus on RVIA-sponsored *American National Standards* has been approved effective **April 25, 2025**. Please forward to my attention a final, clean version of RVIA's revised procedures, with the changes highlighted in your April 22, 2025 communication to ANSI accepted into the document, for maintenance in RVIA's accreditation file.

Please be advised that this decision may be appealed in accordance with section 19, *ExSC Hearing of Appeals*, of the *Operating Procedures of the Executive Standards Council*. The ExSC and its Audit Subcommittee reserve the right to request additional changes to RVIA's accredited procedures as a result of any new procedural requirements issued with future versions of the *ANSI Essential Requirements*, or if any additional instances of non-compliance missed during the current review are later identified during RVIA's next ASD audit.

You may download copies of the most recent versions of ANSI's procedural documents and submittal forms from *ANSI Online* at <https://www.ansi.org/asd>. All PINS and BSR-8 forms should be submitted to *ANSI Online* at: <https://www.ansi.org/psawebforms>. Completed BSR-9 forms should be submitted to PSA@ANSI.org.

If you have any other questions or I can be of further assistance, please do not hesitate to contact me at (212) 642-4913, or via E-mail at jthompso@ansi.org.

Thank you.

Sincerely,

Jim Thompson
