

## [2026 NFPA 1192 RV Standard Revision Cycle Information](#)

**NOTE:** The *NFPA 1192 RV Standard* moved from the NFPA Annual 2023 Revision Cycle to the NFPA Annual 2025 Revision Cycle, which will result in a 2026 edition.

**The 2026 edition is now open for Public Input (PI).**

Submit a Public Input by going to:

**[NFPA.org](https://www.nfpa.org)**

Select **Codes & Standards** – then select NFPA 1192 – then you may have to create a password and sign in, if you are not already a NFPA member. Then click “Next Edition” then click on “submit a public comment.”

The only date that NFPA has released regarding the revision process for the 2026 edition is the following:

### **First Draft**

- **Public Input Closing Date: June 1, 2023**
- First Draft Report Posting Date: -

### **Second Draft**

- Public Comment Closing Date: -
-
