

Support for the Great American Outdoors Act

May 11, 2020

The Honorable Mitch McConnell
Majority Leader
U.S. Senate
Washington, D.C. 20510

The Honorable Nancy Pelosi
Speaker
U.S. House of Representatives
Washington, D.C. 20515

The Honorable Charles E. Schumer
Minority Leader
U.S. Senate
Washington, D.C. 20510

The Honorable Kevin McCarthy
Minority Leader
U.S. House of Representatives
Washington, D.C. 20515

Dear Majority Leader McConnell, Speaker Pelosi, Minority Leader Schumer, and Minority Leader McCarthy:

Our organizations, and the members we represent, strongly support passage and subsequent enactment of the Great American Outdoors Act (S. 3422) as quickly as possible. This bill is necessary to support the public lands we all rely upon by achieving the twin goals of protecting America's special places and repairing deteriorating infrastructure. We urge you to vote in favor of this crucial legislation and to oppose any amendments to it.

The bill will help address priority repairs in our national parks and on other public lands by directing up to \$9.5 billion over five years to address maintenance needs within the National Park System, other public land agencies, and Bureau of Indian Education schools. It will also fully and, permanently dedicate \$900 million per year already being deposited into the Land and Water Conservation Fund, our nation's most important conservation program, to ensure protection of and access to irreplaceable lands and local recreation opportunities.

This legislation was introduced on March 9 and has the strong bipartisan support of a majority of the Senate. It is consistent with legislation supported by a surpassing bipartisan majority in the House, and the President has specifically requested this bill for his signature, creating an unprecedented opportunity for a historic win for the American public and the places they care about.

The Great American Outdoors Act will ensure a future for nature to thrive, kids to play, and hunters and anglers to enjoy. National parks and public lands provide access to the outdoors for hundreds of millions of people every year and habitat for some of our country's most iconic wildlife. These treasured places also tell the stories that define and unite us as a nation. Funds provided in this bill will secure these vital resources while preserving water quantity and quality, sustaining working landscapes and rural economies, increasing access for recreation for all Americans no matter where they live, and fueling the juggernaut of our outdoor economy.

In 2018, over 318 million national park visits led to \$20.2 billion in direct spending at hotels, restaurants, outfitters, and other amenities in gateway communities, supporting over 329,000 jobs and generating over \$40.1 billion in total economic output. Nationally, outdoor recreation contributes \$778 billion in consumer spending and supports 5.2 million jobs.

The Great American Outdoors Act will ensure that our parks and other public lands continue to preserve our nation's heritage and recreation opportunities, and that local communities and economies in these areas will continue to flourish.

We urge you to support our parks and public lands by voting for the Great American Outdoors Act (S. 3422) as a clean bill with no amendments. Thank you for considering this request.

Sincerely,

National
