

America's Outdoor Recreation Act

Chris Bornemann

Senior Director, Government Affairs

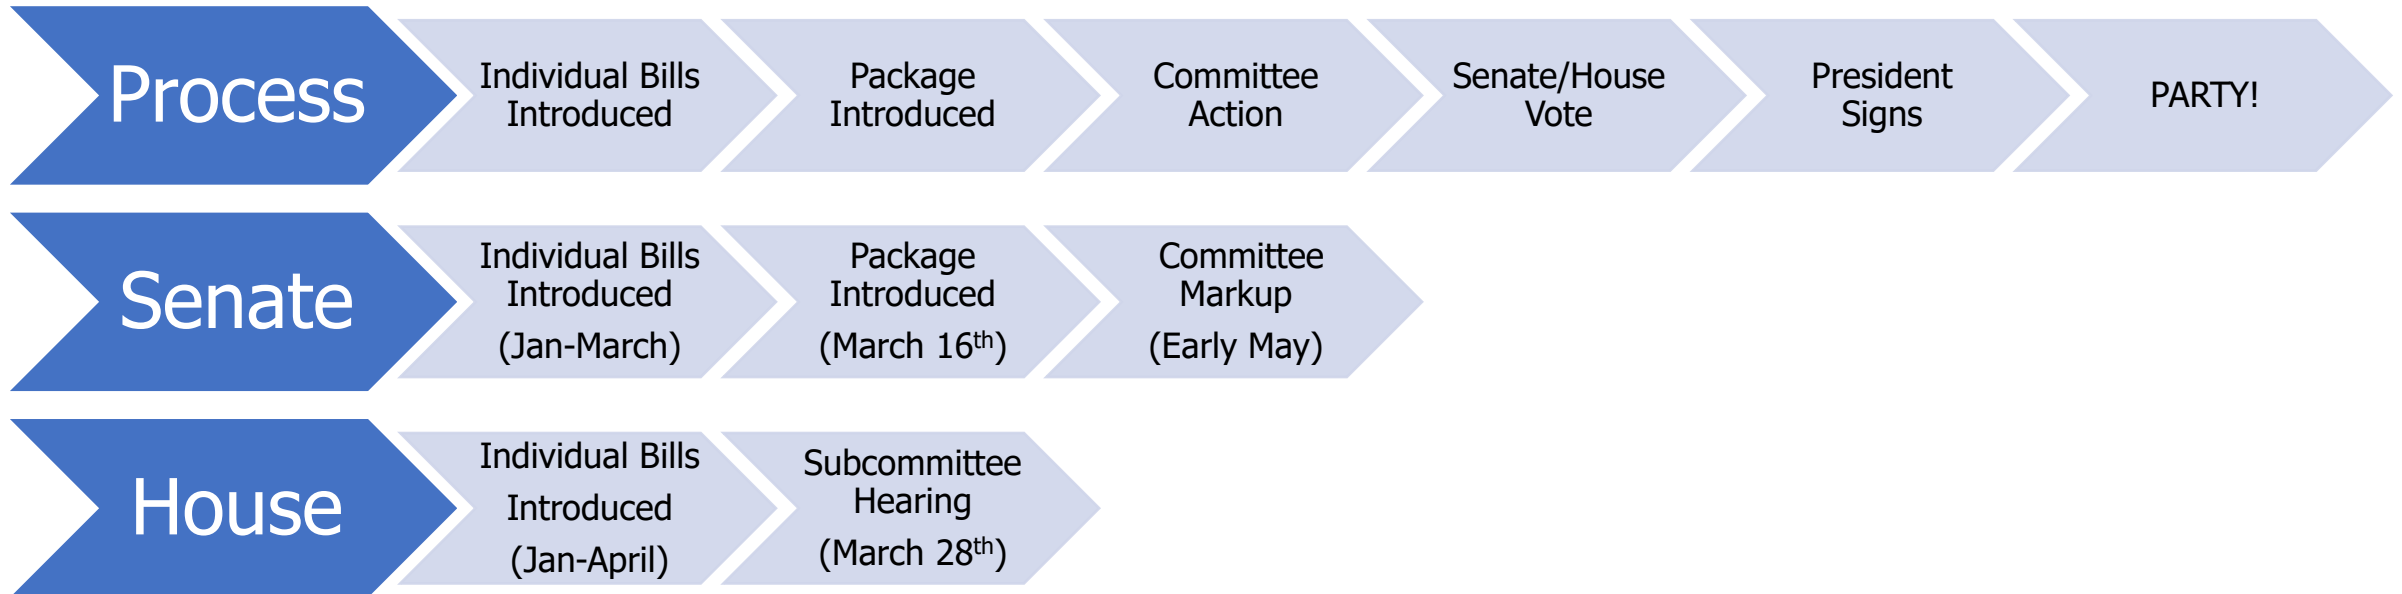

America's Outdoor Recreation Act

- Ensures outdoor recreation is a priority on federal lands
- Increases outdoor recreation and camping opportunities
- Improves recreation decision making
- Improves recreation visitation data
- Provides increased access for servicemembers and veterans
- Increases youth recreation visits to Federal lands
- Federal Lands Recreation Enhancement Act – Permanent
- Codifies Federal Interagency Council on Outdoor Recreation

Why it Matters to the RV Industry

- Establishes pilot programs to sustainably modernize and expand campgrounds on federal lands
- Provides technical and financial assistance to gateway community businesses, including private campgrounds
- Extends public lands shoulder seasons to increase camping opportunities
- Brings much-needed broadband/Wi-Fi to front country campsites
